Landmarks

These are the most notable landmarks you should look out for on your journey to The Old Library to make sure you're heading in the right direction.

Leave Birmingham New Street onto the Stephenson Street exit.

Look out for the Rotunda building at the end of New Street.

Walk down the steps past St Martin's Church.

Walk down the B4100 (Digbeth High Street) and look out for Birmingham Coach Station on your right.

Look out for the brown Zellig Building on your left and the large 'Zellig' sign. Walk underneath the sign and onto Gibb Street.

On your right you should see The Old Library. Our main entrance is painted grey with green Astro turf grass outside.

We hope this guide helps you more easily find your way to our hidden gem venue in the heart of Digbeth.
